Subject: 2002 project resource allocation

Dear Jan, Bettie and Hans,

Following the review of resource allocation for 2002, I was asked to reduce my time commitment to various projects across the board. In the following, I list the amount of time I am now able to allocate for your projects.

- N01148 - Total Exposure Study in US (Oey): 40 hrs
- N01169 - US EHC-SS Study (Roethig): 30 hrs
- N01330 - A single center study to evaluate ... conventional cigarettes and EHCSS (JLI) ...(Nelson) : 80 hrs

I hope these reductions can be accommodated by your project plans. Please let me know if you have any comments or questions.

Regards,

Raymond
